

Stokvel and Burial Society policy

Bryte Life Stokvel funeral cover

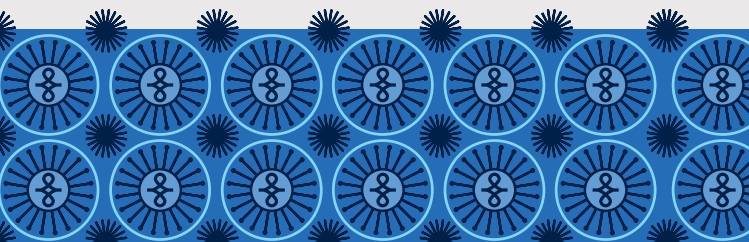

Our stokvel funeral cover is a convenient, easy and affordable product targeted at a group of members with a common goal to cover themselves and their loved ones in preparation for the day when death occurs. From as little as R37, stokvel members can be covered for up to R30,000 to help with funeral arrangements and other costs.

What is a funeral policy?

A funeral policy pays out a lump sum to the member or the member's family, which is used to cover the costs of the funeral. The lump sum can be used to cover catering, tents, chair hire, groceries and all expenses that need to be covered for the funeral.

Why is a funeral policy important?

Life is unpredictable and people need to be prepared should anything happen to them or their family members. Affordability plays a huge role and it's important to make sure that the person is able to bury their loved ones with dignity.

Who is covered?

The mandated signatories or office bearers may choose the following plans on behalf of all members:

- Member plus 5 family or extended family members
- Member plus 9 family or extended family members

The main member may not be over the age of 75 at inception of the stokvel product. A stokvel/society is required to have a minimum of 15 members.

Documents required for the stokvel to be eligible

- Details of at least 3 signatories, mandated to act on behalf of the stokvel
- The signatories' proof of residence and ID copies
- Stokvel's constitution or code of conduct detailing the operation
- Confirmation of the stokvel's bank account, not older than 3 months

On receipt of the above information, an application form would have to be completed by all members with details of the family or extended family members they want covered on the policy.

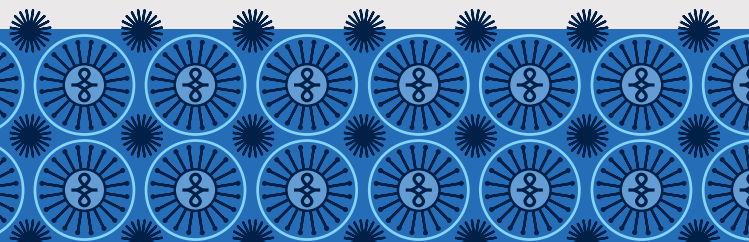

What is covered*

- Funeral expenses up to the cover limit
- Our stokvel funeral cover also includes a road cover benefit. An optional service offering that manages claims with the RAF, allowing members who are involved in a motor vehicle accident to be compensated at no additional cost to themselves.
